

## Descarga de XAMPP

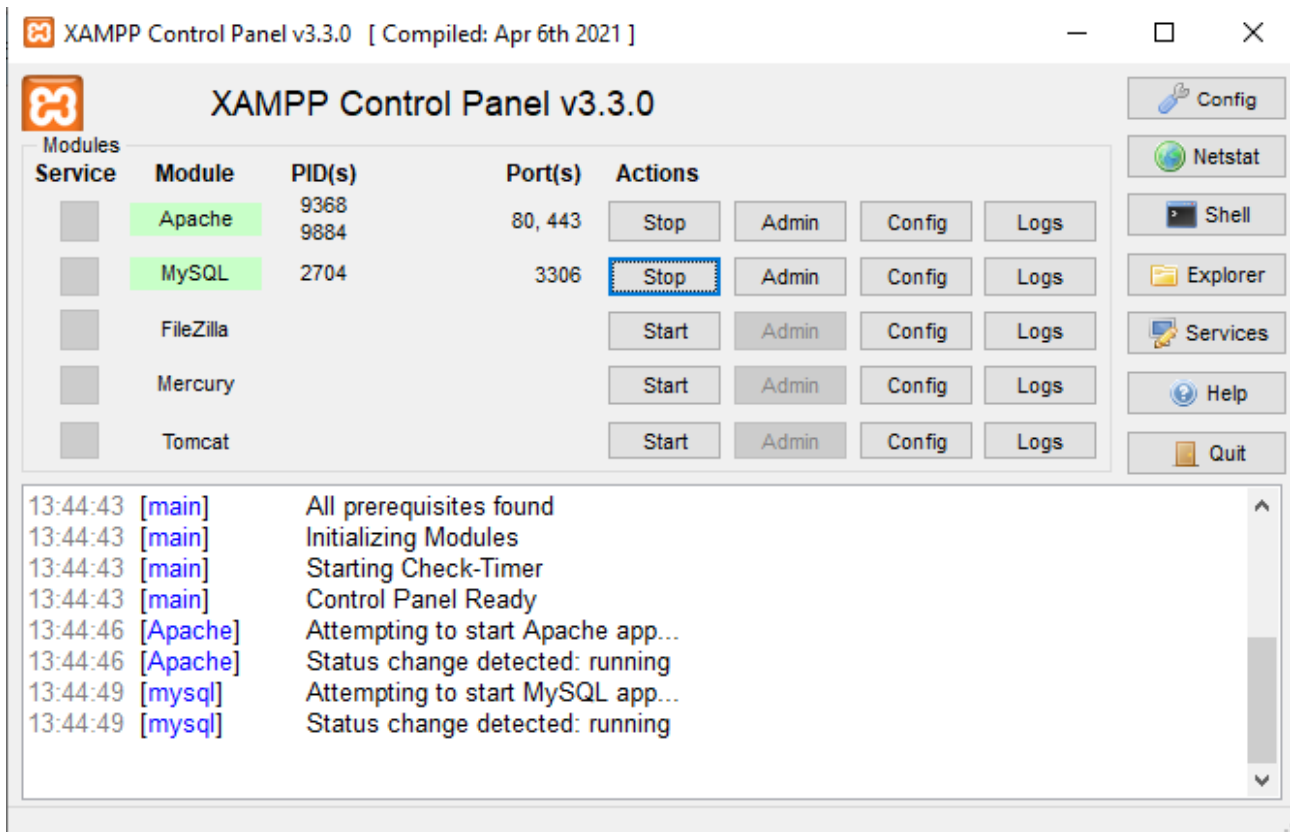

The screenshot shows the SourceForge page for XAMPP. The header includes the SourceForge logo and navigation tabs for Open Source Software, Business Software, and Resources. The breadcrumb trail reads: Home / Browse Open Source / Database / Database Engines/Servers / XAMPP / Reviews. The main section features the XAMPP logo, the title "XAMPP Reviews", and a description: "An easy to install Apache distribution containing MySQL, PHP, and Perl". It lists contributors: beltranrueda, bitnami, koswalds, kvogelgesang. The page shows 194 reviews with a 4.5-star rating and 582,260 downloads this week. A green "Download" button is prominent, along with "Get Updates" and "Share This" buttons. Below the buttons are tabs for Solaris, Linux, Mac, and Windows. At the bottom, there are tabs for Summary, Files, Reviews (which is active), Support, and Wiki.
